

# You've got a friend (James Taylor) Capo. 2 → 3

G / C D / G / F#m7 B7

1. When you're down and troubled and you need  
a helping hand

And nothing, oh nothing is going right

Close your eyes and think of me

and soon I will be there

To brighten up even your darkest night

\* oh ya baby (2) oh yes I will

\* You just call out my name and you know whenever I am

I'll come running to see you again (3) Oh baby, don't you

Winter spring summer or fall, all you've got to do is call

And I'll be there, (yeah yeah yeah)

2. If the sky above you should turn dark and full of clouds

And that old north wind should begin to blow

Keep your head together and call my name out loud

Soon I'll be knocking upon your door

\* repeat

Ain't it good to know, that you've got a friend

When people can be so cold

they hurt you yes and desert you

And take your soul if you let them

Oh yeah but don't you let them

\* repeat yes I will you've got a friend

You've got a friend

(ya) ain't it good to know you've got a friend

ain't it good to know you're got a friend oh yaya

You've got a friend
