

# Chilly Winds (Kingston Trio) Capo 3

前奏 G (pos. 7) Gsus4 A9 (pos. 9) G G7 G G7

1. I'm goin' where them chilly winds don't blow  
 Gonna find a true love, that is where I want to go  
 Out where them chilly winds don't blow

Sing you song, sing it soft and low  
 Sing it for you, baby, and then I'll have to go  
 Out where them chilly winds don't blow

2. Wish I was head light, on a west bound train  
 I'd shine my light on, cool Colorado rain  
 Out where them chilly winds don't blow

If you're feelin' lonely, if you're feelin' low  
 Remember that I loved you,  
 more than you will ever know  
 Goin' where them chilly winds don't blow

3. (I'm) leavin' in the springtime  
D7 G G7

won't be back 'til fall

C D7 G Em  
If I can forget you, I might not come back at all

Am D7 G G7  
Out where them chilly winds don't blow

Out where them chilly winds don't blow

Out where them chilly winds don't blow.
